

MICROFIBER

Pintar's Microfiber mini roller covers are made with a premium microfiber fabric that is designed to pick up and release more paint than other rollers on the market, allowing you to finish paint projects faster. These professional grade, mini roller covers produce a superior one coat coverage while giving an excellent quality finish. These rollers have excellent durability and are easy to clean for re-use.

- Premium microfiber material provides superior paint pick up and release; results in a one coat coverage with an excellent finish
- Ideal for painting trim, walls, room corners, cupboards, cabinets, closets, doors, shelves and other hard-to-reach places
- Easy to clean for re-use
