PAINT LIKE A MASTER

The Rembrandt series of brushes and roller refills are handcrafted, keeping the needs of the professional painter in mind. The original Oval Rembrandt brushes are made from high quality PBT polyester filaments and feature an oval ferrule design to provide superior paint pick up and release. The NEW Angular Sash & Rattail brushes are chemically tapered to produce crisp trimming lines and an ultra-fine finish.

The Rembrandt series of professional paint applicators... providing a superior finish, saving time, and helping your business be more profitable!
